Thread: [Shopify/WooCommerce developer partner wanted](#)

Stonestag - January 17, 2025, 12:57 am

I am looking for a professional webshop creator, as a partner. Preferably experienced in creating Shopify, WordPress WooCommerce stores. Other webshop creating platforms also accepted. Experience in using tools like POKY importer.

I am targetting local countries by niche. Full costs covered by me.
Long-term BH earning. Earnings are (after all costs and expenses deducted) around 10k-15k per month. All 50/50.

Please contact me by DM or Telegram @Stonestag

Im very good with custom full stack store/ecommerce, and pretty good with woocommerce. I've made a few custom plugins for WP/woo.

If you're interested lmk
