Go to your state's DMV website

Enter your personal information, such as your name, date of birth, and Social Security number
Your driver's license number will be provided

I've been on there it's Oklahoma they want me to pay for driving records and I have to prove identification I have only a non useable old jail id,I've tried legal document pdfs but records go through an archive place not and they redact all that info I have tried ssn24 and the service worked but I have no longer been about to find it, trying to be safe searching on a deep web from N Android is tricky I don't have tails yet or socks just tor and proton and duck duck browser
Thanks but not ideas welcome I've spent weeks looking
