Thread: [White House National Security Advisor confirms evidence of unidentified aircraft](#)

Hackers - January 22, 2025, 8:07 am

"We need to take this incredibly seriously"

"what we have been assured is it's not our systems"

"strange objects that are doing things that we can't explain that are defying physics"

Quote:New White House National Security Advisor Mike Walz explains the Dave Grusch Whistleblower allegations in detail and says "we have radar imagery, thermals, different types of infrared sensors, you can't deny this stuff. This is real hard data showing objects doing things that cannot be explained".

This is from 2023, but he just became a Trump national security advisor.
Disclosure time baby!

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
