- Former NSA Director
- 4 Star admiral

Mike tells a story about handling a request to turn over all media related to UFO/UAP. He thought it was a joke at first, but he soon realized it was a legitimate request.

This was a small clip that flew under the radar. It's at the 23 minutes & 20 seconds mark in that YT video / interview footage.

Now, why did it fly under the radar? They edited it out after the fact in the "full footage / in-depth" video listed on the channel here:

But it's not edited out in the Australia channel version that I linked first.
