Thread: [Bought l33t. How to post in Premium Sellers Section?](#)

Hi guys I did some searching and found this thread in lounge (so I'm hoping it's okay to post a new thread here): <https://hackforums.net/showthread.php?tid=6242385&highlight=thread+requirements>

Today I bought l33t to make a sales thread. But I'm getting this message when clicking post thread:

I clicked activation link via email.

Do I need to be a member for a certain amount of time first?

Apologies if this is the wrong thread.

Any help is much appreciated.

Should I just upgrade to Uber? I don't care about the money but I'm short on time.

Ah ok I need vendor. Will close.
