Thanks man!

What did you use it for if you mind me asking

callmewilly08 - January 31, 2025, 6:01 pm

thanks! dude im like fr tryna pass my friend in views

etroverr - January 31, 2025, 6:37 pm

is it working on brave browser ?

informalmarc - January 31, 2025, 6:42 pm

(Jan 31, 2025 07:37 PM)etroverr Wrote: [\[CITE\]](#) is it working on brave browser ?

I recommend firefox

etroverr - January 31, 2025, 7:09 pm

Attempt 1 failed: tesseract is not installed or it's not in your PATH. See README file for more information. please help bro

You gotta install tesseract

<https://github.com/UB-Mannheim/tesseract/wiki>

etroverr - February 1, 2025, 5:19 am

it still the same problem bro

your not helping out dog what error message u getting?

loomixx - February 2, 2025, 11:20 pm

thanks, i will find the usage for it. commenting to save this

SIM-2698200 - February 16, 2025, 4:34 pm

Is this method working?

informalmarc - February 16, 2025, 6:03 pm

(Feb 16, 2025 05:34 PM)Meoww Wrote: [\[CITE\]](#) Is this method working?
yes

shark1996 - March 7, 2025, 3:43 pm

[/quote]

Thank you for the tutorial . I'll give it a try tomorrow
