Thread: [elon musk real identity](#)

0dayexploit - January 29, 2025, 12:38 pm

the kid who made a nuclear bomb at home

is name is David Hahn
check wikipedir for photos

he is now knowed as Elon Musk
as his new identity [warn]

MFUK - January 29, 2025, 12:39 pm

what you smokeing Bill ?

0dayexploit - January 29, 2025, 12:43 pm

true story

TrackPro+ - January 29, 2025, 2:53 pm

Fake news. Where are your sources? Elon Musk and that kid were born 13 years apart. That would make Elon Musk 47 years old it he was really David Hahn

Kaleb - January 29, 2025, 3:40 pm

Now this guy smokes meth.

0dayexploit - January 29, 2025, 4:02 pm

still belive is the same person so..

actually the age apart is 6 years
they say he died
at 43

but then elon musk comes along and he is 53 so these age apart is just a confirmation
