Thread: [SUI Wallet Address Generator](#)

**Hackers** - January 31, 2025, 5:57 am

This tool provides you with fully compatible SUI wallet addresses, for the public and private key.

You can use this in popular wallet extensions, by importing your private key.

Uhh, no... not at all. This just makes addresses.

I started working on another Sui address generator recently, but to handle all the different formats so you have options from your base seed.
