Thread: [Gratitude post to nodes](#)

Rooney00 - February 1, 2025, 8:55 am

I just want to take a moment to express my sincere gratitude to nodes for their generosity in sharing a premium template with me for free! Your kindness and support mean a lot, and this will truly help me move forward with my project.

Thank you for your selflessness—people like you

You're right, @nodes (avoiding another ping) is one of the most active members I see on HF, thank you for everything!

Epic - February 1, 2025, 12:38 pm

Shout out to Nodes. Always active and high quality.

HF really is a wholesome place.
