Thread: [Would you hook up with a Space Alien Woman](#)

I would def hook up with a big boobie, purple, slanted eyes, kinda slutty but a lil classy alien chick.

also do you think there is such a thing as a bad bitc* alien chick? would be pretty cool imo.

Yeah I'd try it out.

I think with it being an alien she/it/thing would want to probe me. I'm not opposed to a milkin'.

Some times asian chicks look a little classic alien like, its pretty hot. Are the chinese actually aliens?
