Thread: [Teacher makes sexual comments about boy's mom then throws him across the room.](#)

The Pact - February 2, 2025, 10:38 pm

According to one student, "Mr. Elder was talking about his momma" and went on to list a specific comment made by the teacher that was sexual.

Another student wrote a similar statement, "Mr. Elder was talking about doing things to the boy's mama and the boy got mad."

The victim said Elder was "talking about my mom" in his statement.

The teacher's statement contradicts what all three students witnessed. He claims that he was giving another student their phone back when the victim was "in his face."

There is a video of him picking up the 11 year old and literally just hurling him. But there's some other nonsense on the video before it shows that.

Two days after the incident, Elder sent an email to the school.

The email reads in part, "I'm writing to inform you of my immediate resignation from my position at DeRenne Middle. Due to unforeseen personal circumstances, I find it necessary to step down from my role with immediate effect. I apologize for any inconvenience caused by my sudden departure." The kid went flying across the room in that video.
