Thread: [MASS MAIL BOMBING ADS Starting from 14000+ mails/day](#)

Footer - February 4, 2025, 3:34 am

? MASS MAIL BOMBING ADS ?

Introducing my mass mail bombing ads service. Reach everyone with a click!

Your professional mass mailing service is an advanced solution for sending bulk email communications efficiently and with a personalized touch. Designed for businesses, professionals, and organizations, the service allows you to reach a wide audience with promotional messages, newsletters, updates, or marketing campaigns. Using cutting-edge tools. Whether you're looking to boost engagement, promote products, or maintain customer relationships, this service offers a reliable and scalable way to manage your email marketing efforts effectively. How many mails I can send?

- Plans start from 14000 mails/day and you can add unlimited sendings.

Which is the price?

- For 14000 mails/day price is only 150\$ per month.

Do you provide mails DB?

- No I don't have it, I only provide the instruments to send mails.

Are there any rules?

- Mails are not monitored, but scam and child porn is not tolerated.

Is the domain included?

- No, purchase it where you prefer.

Logs policy?

- We don't keep logs.

How can I pay?

- Stripe, BTC, DOGE.

I have another question.

- Reply to this topic I will be very happy to assist you.

Should I install something to use the service?

- No, you'll use a web interface.

workandmakemoney - February 4, 2025, 3:52 am

is this smtp? or what is it

Footer - February 4, 2025, 4:02 am

Currently mails are sent through web interface.

StinkButt420 - February 4, 2025, 5:51 am

That title is WILD bro. Thought you were Ted K for a moment.

Simaniurity - February 5, 2025, 8:29 am

Hi

Write me dm with contact to you tg or signal

Footer - February 7, 2025, 2:16 pm

Contacts sent versmann.

ccmptyltd - February 17, 2025, 6:44 pm

Do you have any experience running these within OFM niche?

Footer - February 18, 2025, 11:31 am

Maybe you didn't understand what this service is used for. You will send emails with this, to every address you want.

withtime - May 15, 2025, 12:12 pm

How does it work am intrested, can it send html or svg files as attachment and it will inbox?

breached111 - September 9, 2025, 8:04 pm

is this still offered do you have a tg we can talk on ?

ninilo7759 - December 21, 2025, 12:27 pm

you still offer this service?
