Thread: [Freelance Project: Multiple themed landing pages with seo in mind](#)

Astro.x - February 5, 2025, 11:02 pm

Hello HF! I'm looking for a skilled web designer/developer to create a few SEO-optimized landing pages. If you are interested please contact me with your portfolio if any. Looking to get about 3-5 landing pages revolved around a few different themes. More details to interested members.

Requirements:

SEO / Web design & development experience (1+ year(s) preferred but exceptions can be made)

Landing pages must be SEO-optimized

Pages must contain image(s)

Must be visually appealing and user-friendly

Keyword optimized/focused design

Pages should have an easy to configure file used to make adjustments to titles, urls and other commonly re-used assets

Would prefer to have all landing pages within a week

Payment:

Price to be determined with those interested (per page, time spent, etc)

Cryptocurrency only [BTC | LTC]

I can do landing pages using next.js

vyactor - February 6, 2025, 7:19 am

Sent you a convo regarding this. Looking forward to the response!

Is there any other requirement? I could make landing pages in HTML + CSS + Bootstrap

If you still need it , let's get a talk.
