Thread: [\[Mining\] BTC with scala \\$xla \(new vault/new sharing platform live\)](#)

hellaslow666 antjamima666 - February 8, 2025, 2:23 pm

we're now at 7 centralized exchanges
a new scala vault realeased 2 days ago
and a new scala sharing platform

people on twitter have been shilling since the creation like they're tryna get people to dump it
it's clearly a fuccing rocket
