How much are you looking for?

Lookin4Work - February 18, 2025, 12:57 pm

I didn't even think accounts really mattered anymore on IG.

Somehow yours still attracted my attention.

You got a range in mind? x,xxx or just xxx?

Hoping for big wins in your sales targets!

I won't accept any offers under 5 digits due to the extreme virality of the account. So xx,xxx.xx
