Thread: [Found this money making guide using a G2A exploit wanted to share](#)

F2CKorPoRaL - February 18, 2025, 10:18 am

[deleted]

So I found this fucking around on pastebin wanted to see if any of you have tried this method or if it is still working, if anyone decides to try it please post the results, good luck!

This is a well known scam. I'll assume that the script embedded inside is not your, even if it sounds weird that someone dealing with malware and hacking isn't aware of this scam.
