Thank you to all that have participated. I will announce the winner shortly.

First thank you to all that participated. There were 25 entries total. To determine the winner, I went to the general chat room and did a /roll 1:25 and the random result was 5. So the 5th entry was @DemonAsylum@

So Congratulations to @DemonAsylum@ as the winner! 5,000 bytes have been transferred to you.
