Hi

Does anyone have a copy of poison ivy?

Thanks

Tha Sneak - February 23, 2025, 2:34 pm

What's in it for me my brother? Do specifically want 1.32?

p0wa - February 23, 2025, 2:41 pm

yes could you upload it somewhere?

Tha Sneak - February 23, 2025, 2:43 pm

That doesn't answer my question, what's in it for me? 1.3.2 doesn't exist 2.3.2 does.

p0wa - February 23, 2025, 2:44 pm

ok would be really nice if you had 2.3.2

I gotta ask as I've noticed many people lately requesting ancient RATs....why do you want it?
To play around with it to see how RATs functioned in their golden age?
