Thread: [XanthoroxAi: A New Ai On The Market \[Reasonable, Web-Based and Accurate\]](#)

Xanthorox - February 24, 2025, 3:49 am

Video of all of these features bellow =

<https://youtu.be/HSwB0NW3dtk>

? Introducing Xanthorox AI - The New Era of Intelligence ?

Are you ready to experience the most advanced Evil AI on the market? Say hello to Xanthorox AI – a groundbreaking AI that brings unparalleled power and flexibility to your fingertips (WebUI). With 5 unique models, Xanthorox AI revolutionizes how we interact with technology. Ready to see what we're talking about?

? Xanthorox Coder – Unleash your coding potential! Whether you're a beginner or an expert, this model is perfect for all your coding-related tasks, optimizing solutions and generating scripts in the blink of an eye.

? Xanthorox V4 – The ultimate all-rounder. From simple tasks to complex challenges, Xanthorox V4 is your go-to for every situation, making sure you get results fast and flawless.

? Xanthorox Vision – Seeing is believing. Upload any image, and watch Xanthorox Vision analyze, describe, and even answer questions about the image. Whether you're working with graphics or photos, this AI model will make sense of it in an instant.

? Xanthorox Reasoner Advanced – The pinnacle of AI intelligence. The most advanced model of them all, Reasoner Advanced thinks like a human before responding, ensuring 100% accuracy with every answer. Never worry about misinformation again!

? Xanthorox AI stands out with these incredible features:

? Voice Chat Option – Experience real-time conversations with Xanthorox AI. Ask questions, give commands, and get responses like a true AI assistant—just like Jarvis in Iron Man.

? Send Voice Message Option – Record and send an audio message, and get an instant response. Perfect for multitaskers who prefer speaking over typing.

? Web Search Option – Stay up-to-date with the latest information. Xanthorox can scrape data from 50 search engines to give you accurate answers, no matter how recent or niche.

? Send File Option – Upload your files in any format (C, .txt, .pdf, and more). Xanthorox will analyze the file, describe its contents, and even edit or rewrite it according to your needs.

? Capture Image Option – Whether on mobile or PC, capture an image or screen record and let Xanthorox Vision provide detailed insights. You won't miss a single detail.

? Why settle for ordinary when you can have extraordinary? Xanthorox AI is here to empower you, enhance your work, and open new possibilities. Don't miss out on the future of AI.

Note = This AI does not use any external api , all the data is private and self hosted

? Get Xanthorox AI today and step into the future!
