Thread: [Faking live snap on Android](#)

JNath - February 27, 2025, 11:19 pm

I need to know about a method to fake live snaps on Android which doesn't say "Media Upload". Ovf editor doesn't work anymore.

There is a method but it requires a rooted Android phone and is highly risky as well since it can get your account banned.

ZinyNet - February 28, 2025, 5:08 am

maybe you can get this in the tor market, not sure you can get this quickly in the open more

JNath - March 2, 2025, 1:32 pm

Anybody able to do it?

gabry695 - March 8, 2025, 2:21 am

I can do it. I still have access to atosnap. Still works, i can add as many accounts as needed. Only works on android tho

how can you tell me steps?

beefbud - June 28, 2025, 8:57 am

check out my thread sir I have 2 methods available, or dm me on discord: beefbud

Linkaa - November 15, 2025, 7:12 pm

Pm me, I have 2 methods : one for phone, one for Bluestacks, it works with videos too
