BullPen Bot Shop

Welcome to BullPen Bot Shop, where we offer reliable and authentic bots/loads/installs without the hassle you get from other vendors. With over 5 years of experience in the industry, we specialize in providing top-quality services and products directly sourced from reputable platforms like Bing Ads, Google Ads, Facebook Ads, affiliate programs, and popular websites featuring top game downloads and hacks. We understand that navigating these operations can be challenging, which is why we're here to ensure you receive the best service possible.

Pricing:

Mixed Installs

1,000 installs: \$250

5,000 installs: \$2,250

EU Loads:

Per load: \$3

USA Loads:

Per load: \$6

Canada Loads:

Per load: \$6

Payment Method: Cryptocurrency only

Contact: Bull_HF

Terms of Service (TOS):

Your files must be 0-4 FUD (Fully Undetected)

We are not responsible for any bot losses; please take the necessary precautions.

We are not liable for how you use the bots/loads/installs.

All orders will be completed within 24 hours.

If we are unable to deliver your bots, you will receive a full refund. [contract=tid]Start Contract[/contract]

Thanks y'all for the reminder cause I didn't exit scam or scam him, I did upload his file on my ads to get direct loads , I provided my proof of the service and he never provided his, so how is that my fault.

samasugeti - March 7, 2025, 8:58 pm

any vouches for this or true scam?
