Stanley - March 20, 2025, 8:53 pm

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Mooooookie - April 1, 2025, 12:35 am

Thanks for participating everyone.

Contest is now CLOSED.

No more entries beyond this point.

Temporarily Closing The Thread While A Winner Is Drawn!

A winner has been drawn for the 100,00 Bytes Contest.

And that winner is [Money-](#)

But..

[Money-](#) didn't follow all the rules of the contest, so unfortunately.. his entry is not valid.

How did he failed to follow the rules of the contest? He didn't QL the OP when he joined.. as much as I have love this for member, fair is fair.

Proof of Drawing:

<https://streamable.com/0i5a1l>

So I will be drawing another winner... in the same fashion. I will be pressing Screen Record before I send this post

Then I will spin the wheel again.

If you haven't QL'd the OP already.. any QLs after the post was initially closed won't count, as I have the list of all the users who have QL'd the post already.

Same goes for Popularity, since I know some of you like to take it back after you don't win the contest.. if your Popularity wasn't put in prior to me closing the thread, your entry won't be valid.

Spinning the wheels for the 2nd time..

I have drawn a 2nd winner since the first winner was disqualified..

The 2nd winner is...

esimbuy.org

Congratulations on winning!

But wait... this user didn't follow the instructions either

How didn't he follow the instructions Mooks?!?!?

He chose not to QL the Original Post of the contest.

Proof of Drawing:

<https://streamable.com/wtntzg>

Sucks to see people's name being drawn, and not being eligible due not following 3 simple rules :\

Fair is fair...

Back to drawing board...

Who will be lucky winner #3?

Same rules apply... Drawing again... BRB..
Finally have a winner!

[ohkthxbai](#)

Proof of Drawing:

<https://streamable.com/lkblyk>

User followed all the instructions on the contest, and therefore is the winner.

Fair is fair. I won't bend the rules for anyone.

Thanks for everyone who participated.

Let this be a lesson for future contest.. follow the rules!
