Can it be done on existing accounts? Do you need access to the account?

Elina Lumi - March 15, 2025, 1:50 pm

Yes, it can be done on the existing acc

Interested in long-term collaboration in this, since I'm selling this service on another site I.e. I get clients, on a daily basis, then I re-purchase your service over and over for different clients. Would that work for you?

What are the prices for different plans? Do you also have i.e. 3 months, 6 months? Can't PM
