User was pretty shady and lies right off the bat. Wouldn't trust this.

Silent1ntruder - March 8, 2025, 5:25 pm

You are wrong about this. I said I didn't have tele because I didn't know my password.

How am I shady? I am giving it away for free!

Do without, it's your loss. I will give the account to someone who wants it

The account: Hackforums1337@outlook.com

Is still available for free to the first upgraded member who wants it.
