help me could anyone give me support for my addiction to the HF blackjack. I seem to loose all my bytes playing. I can't barely even let them land in my account before they're gone.

Any help is appreciated

Peace and Löve

Disconnect your ISP service ?????

Kalashnikov_AK47 - March 14, 2025, 3:13 pm

Rule #1 Never gamble

1234Browser - March 14, 2025, 3:13 pm

Dont tell me what to do boys

I never experienced gamble before joining the forum. played for only 2/3 days repeatedly and c'not resist myself buying new bytes from demon and loose them all flipping or scratching.
