Sorry to hear that you had a negative experience with buying bytes. Hopefully, the lesson you learned will prevent future issues.

Better earn them from posting, also u may get some rewards too

esimbuy.org - March 16, 2025, 4:04 pm

dont buy again just play daily with free 31 bytes

Fresku - March 16, 2025, 4:22 pm

it's just too tempting to keep losing against stanley

Deany - March 16, 2025, 4:55 pm

Bytes are a helluva drug

Regulus - March 16, 2025, 5:13 pm

Anyone down to kidnap Stanley and hold him hostage.

Amount to release him: 1,000.000 bytes.

Good on you for recognizing that and learning from the experience! It's not always about massive losses to gain valuable insight. What was the key takeaway for you, if you're willing to share?

I already knew I am wasting money doing this horror game. I just did it for fun. Flipping was fun. But after all I have learned there is nothing to gain only to lose

N604 - March 19, 2025, 2:17 am

You must keep buying to keep it going man))

Yea yea all the bytes addicts say that, then they get in a bad mood and relapse. You're in my prayers hahaha
