(Mar 19, 2025 02:08 PM)usernamefoda Wrote: [\[CITE\]](#) Hello everyone, does anyone know where I can sell/exchange (or something like that) the data of all students from municipal public elementary schools in Campo Grande - Mato Grosso do Sul? (from the years 2000 to 2025. 937MB of PDFs)

By the way, this is my first time here ??

Informações de Alunos Frequentes: Escola, Turma, Cód. do Aluno, Nome do Aluno, Data Nasc., Nome da Mãe, Nome do Pai, CPF do Aluno, Cor, Sexo, Deficiência, Beneficiário, NIS, ID Censo, CEP, Rua, Compl., Bairro, Tel. Fixo, Tel. Cel

Frequent Student Information: School, Class, Student Code, Student Name, Date of Birth, Mother's Name, Father's Name, Student CPF, Color, Sex, Disability, Beneficiary, NIS, Census ID, Zip Code, Street, Compl., Neighborhood, Landline Tel., Cell Tel.

And other information (from other PDFs)

Don't know, but try asking when you get out. And maybe read the [Help Docs](#) on Disallowed Blackhat Activity if you succeed in going on the run.

Hey there! I'm not sure where you can sell that data, but maybe try checking out some dark web marketplaces. Good luck with your first time here! ?
