Thread: [Deany giving negative rating without any reason](#)

sean_se - March 22, 2025, 8:29 am

Hello, i registered on this forum today, an hour after my registration a very brave user called Deany decided to give me a negative rating. Is he sabotaging this forum or what did i do wrong? Thanks in advance

Doesn't matter, welcome to the forum.

Some people are just turds sometimes, or you did something dumb.

Unfortunately some members are like that but I wouldn't worry about it. Popularity doesn't necessarily make you a bad member, welcome to the forums though.

[Deany](#) isn't the type of user to give out negatives loosely. Probably a well deserved negative.
