Hello guys hope everyone is doing great just new here excited to learn hacking

Pr0m3th3us - March 25, 2025, 11:34 am

Welcome to the forum

Bastille - March 25, 2025, 12:42 pm

Hello, welcome to HF

If you want to learn more about hacking I encourage you to :

Read the following thread : <https://hackforums.net/showthread.php?tid=6263412>

Register and start practicing here : <https://tryhackme.com>

You can then share your daily progresses here :

<https://hackforums.net/showthread.php?tid=6288695>

we speak about hacking and motivate each of use to study even a little bit every day

If you have questions you can ask on HF

Don't forget to read the [Help Docs](#)

Enjoy your stay !

Where do beginners learn about hacking, and what programming language do you all feel somebody should learn who doesn't have experience coding but is very computer savvy? I used to be a script kiddy when I was a young stupid immature kid haha. Haven't heard that term be used in a while though.
