Thread: [im very thankful for this forum](#)

jane - March 26, 2025, 5:45 am

lately ive been going thru some changes like a new job, new city, new life entirely and as im finally making friends where i live now for awhile it was very lonely and i would find myself depressed and just laying in bed. during that time tho i logged back into hf and made some friends online and so far you guys have really motivated me. i just wanted to make a post of gratitude, i appreciate everyone on here. stay up <3 \$

gang <3

(Mar 26, 2025 05:47 AM)php Wrote: [\[CITE\]](#) Ahh man I feel that tremendously.

It's the core reason I stick around. The community.

Thanks for being here
gang gang <3

Changes in life can be rough that's for sure.

I am glad to hear you're feeling more motivated, online friends are so good to have during hard and tough periods.

Keep it up <3
