Thread: [Amazon AWS SES 50K \(Simple Email Service\) Accounts](#)

HQcredits - March 28, 2025, 12:17 pm

Price & Availability

Amazon SES 50K Account Price: \$300 per account
Send Up To 50,000 Emails Per Day With This Account
Active in the market for 2 years, I have been selling Amazon SES accounts for 8 years!

Account Quality

All accounts were created by me. I used a physical debit card and a real phone number for each account. Thanks to the card I use, the accounts work for a long time. I will deliver the account you purchased with its email, password, and web cookies. This way you will have full access to the account. Also, after the purchase is completed, I will teach you a method on how to log in to each account. Thanks to this, all accounts will maintain their quality and will be active for a long time.

Refund Policy & Terms

I will deliver accounts with email access .i.e email, email password, aws password.

Payment Accepted

I accept Bitcoin (BTC), USDT, Litecoin (LTC) and Skrill

Price: \$300 per account
