? Duolingo - The #1 resource for learning foreign languages.

Learning with Duolingo is fun and exciting. You can earn points for correct answers, unlock new materials, and improve your speaking skills.

How is Duolingo Max different than Super Duolingo?

Duolingo Max gives learners all the benefits of Super (unlimited hearts, no ads, and personalized review through the Practice Hub), as well as two new AI-powered features. These new features are: Explain My Answer and Roleplay.

? Duolingo Super Key Features:

? Ability to practice offline!

? No ads

? Huge database of educational materials: texts, videos and audio

? Endless Lives

? Unlimited adding words to the dictionary

? Apps for Android, IOS

? Monitor your language learning progress in real-time

? Language test

? Monthly shock recovery

? Early surrender of skills without restrictions

? You decide how much time to allocate for study (30, 60, 120 minutes).

? you will be able to activate your Duolingo Super (Duolingo Plus) subscription for 12 months on

your personal account.

? Subscription will never expire. Everything is as clean and safe as possible.

? Subscription activation is available for all regions.

? The account must not have an active subscription.

? The Account Region will be changed to ours, but you can add members easily.

? You can add up to 5 people to the account. (1 owner + 5)
