Thread: [Selling live snap from gallery method](#)

Flariuu - April 3, 2025, 6:54 pm

I have a method to sending live snaps straight from your gallery, pictures and videos. I'm looking to sell the method for around \$25 (.0003 btc). PM me if you want me to send you a live snap using the method as proof before buying

If you're offering a vouch copy, I can test it and leave a review on your thread.

I can take a vouch copy if you're offering as I'm pretty active in this field.

Tried the method, it's the only method working as of right now.

Received a vouch copy and after testing I can confirm the method works. Its straightforward and doesn't take too much work. OP provided clear instructions. There might be a slight loss in quality with the snaps but its not too noticeable.
