wheat - April 4, 2025, 2:18 pm

Hey guys whats up im just here to be social and engage with my fellow hackforums users!! Im not here to acquire borderline illegal information! I dont even want to hack anyone or create my own malware, I just wanna chat! Hope yall have a great evening!

final07boss - April 4, 2025, 4:49 pm

Hello!

To any feds watching, i am here to do the same :D

Beherit - April 4, 2025, 6:37 pm

Hi and welcome to the forum. We like to talk about anime, but no hacking.

Deany - April 4, 2025, 6:38 pm

Hey wheat welcome to the forum

Rsynced - April 4, 2025, 8:04 pm

Welcome to the forums guys, you are all on a government watch list now.

This is true, we just rebranded.

DarkVision - April 4, 2025, 10:54 pm

Welcome to HackForums, wheat! ?

(I wanted to make a joke about wheat, but I failed to come up with one. I am sure you would have taken it with a grain of salt). ?

Flowers By Irene.
The most classic of all time. LOL
