Purchased on 26/11/2025. I haven't been contacted, nor have I received any account details or a response on Telegram.

I want my money back. This has been a terrible experience.

Bought a 12-month YouTube Premium account from these guys in July. Come December they to me "YouTube has removed many of the 1-year Turkish upgrades. On top of that, the bank we used for these upgrades has been permanently closed, and we have not received any refunds from them."

So after 5 months the account stopped working with no plans to replace it or a refund. They shafted everyone who bought an account. I'm ignored on their Discord.

STAY FAR AWAY FROM THIS SELLER.

Maybe finish the announcement? "Going forward, we will most likely be switching to Nigerian monthly subscriptions, which will need to be manually renewed each month. Because of this, we will no longer be selling 1-year YouTube subscriptions."

I think you didn't understand it correctly. The rest of your 12 month subscription will be billed monthly.

What I understand is I paid for a full 12-month subscription in July. I got 5 months out of it. Now you want to charge me again for the 7 months you owe me that I already paid for. That's bad business tactics Brox. You should give me and the others you screwed monthly access for free for the time you screwed them out of. That is the right thing to do. Anything less is theft.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.
