Thread: [INSTAGRAM - UNBANS AND USERNAME CLAIM SERVICES | DIRECT VIA ASSOCIATE](#)

Walter - April 14, 2025, 1:07 am

Delivering countless IG unbans daily!! Send your cases to add in the list.

Instagram Unban Service:

I can successfully unban Instagram accounts for nearly any reason whether its Copyright, Integrity violations, TOS violations, or even permanent bans. In most cases, the unban is completed within minutes to a few hours, depending on when my associate is available in the office.

Tip: Avoid appealing the ban in-app if you want the lower price.

Turnaround Time (TAT): Typically minutes to hours, with a maximum buffer of 48 hours.

Success Rate: 100%.

Pricing:
Flat \$2999

Any ban reason except for noted ones.

Message me privately with the details so I can assess and advise on the best route.

(Seeing this screen? It's easily recoverable.)

Instagram Username Claim Service:

Have your eye on a username that's already taken? Whether it's for personal use or business branding, I can help you secure it. Every claim is backed by a 100% success rate, if I review and approve the request, consider it done. The username will be claimed on a fresh account, and you'll receive full credentials. In certain situations, I can claim and transfer the username straight to your account internally, with no login access needed.

Turnaround Time (TAT): Typically within 24 hours, with a maximum buffer of 1 week.

Success Rate: 100%.

Pricing:
Starting at \$2500 Price updated

Final cost depends on the username's length, rarity, and overall demand

Username under 6 characters are considered highly generic and require budgets starting in the 5-figure range

Send me a DM with your case details and I'll review your options.

So once I provide you with the IG name you can give me a proper quote?

As for the MM, I would like to use [mention=420] and I appreciate you covering the fee!

If the answer to my initial question is yes, I'll send on over the details.

I'm not trusting someone like [mention=420] as a middleman, he's a random with no credibility.

As for you, I'm refusing to offer you my service. You were disrespectful before and falsely accused me of being a scammer without any basis.

Reflect on how you treat people. Have a good day.

Yes [mention=420] shouldn't be accepted or trusted anywhere, he is a nasty one.

As for your services, don't you offer snapchat services? And how much for a whatsapp number ban?

Hi can you unban an Instagram account that has been banned for cybersecurity reasons? Moreover I saw somewhere a thread suggesting to rely on seller that offers a 60days cool-down period, before releasing money (through MM), is this a condition you'd be comfortable going with?

Thank you, appreciate any answer.

No, I'm not offering a 60-day cooldown.

I don't own Instagram, nor do I have any control over how you use your account.

The account is unbanned internally. I provide a maximum 24-hour warranty after the unban, beyond that, you're on your own.

Appreciate it.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
