Hey man, glad to see you back

Many old members / lurkers are have been back on HF recently, feel free to share more about you, wha are you into ? Why are you back ? What are you looking for here ? What do you want to learn ?

6070 - April 14, 2025, 7:19 am

i'm into cats and hacking, stopped having fun a while back but decided to come back again to the community and better my skills and learn from all the cool people here
well, mainly just wanted to restart hacking again ;)

and mess around a little with evil AI stuff. that looks cool as hell can get
