Thread: [Won The Dice Award.. But Not From Slots](#)

Mooooookie - April 15, 2025, 10:36 am

Just won the Dice Award, but surprisingly not from Slots.. I won it from playing BlackJack. Does this mean I'm still eligible to win one from Slots too? Or can you only win one Dice Award period?

"Congratulations, you've been playing Blackjack and have been lucky enough to win the random Dice award. "

Yanix - April 15, 2025, 10:38 am

Wow finally! Congrtulations!

I guess you can only have it once if I'm not mistaken.

DemonAsylum - April 15, 2025, 10:41 am

It's just a one time award and that you can get from slots or blackjack. Congrats!

Sam - April 15, 2025, 10:44 am

Is the award random or is there a way to actually earn it.

Thanks! I've been wanting this one for a while.. now that it's out the way, it's on to the next one. Hack Game or Flip Award.. whichever comes first.

If you put in a few rounds on each game every time you visit the site, Stanley should drop it in your lap right out the blue. I played way more rounds of Slots then I did BlackJack.. and still ended up winning it off of BlackJack.

Flip award most likely to come first. Good luck on chasing cool awards around the forum brother.

Nice! Glad you finally got it!

Charlie Sheen - April 15, 2025, 8:26 pm

I don't think many have gotten it from Blackjack, you're very lucky. Most of us got it through the slots script.

Lefty - April 15, 2025, 8:36 pm

Congratulations haha. I didn't know that was possible!

Rahul007rhp - April 15, 2025, 10:11 pm

Congratulations on getting the award mate

12k spins and counting.. I hope I'll get it soon and don't end up doing 60-70k xD

Yes.. I remember the Slots grind. I honestly thought that's where the Award would come from for me, as I played it a lot more then I've ever played BlackJack. But nope, suprisingly, BlackJack was the one that got me the Award. I would recommend playing both of them.. as you never know which one will hit the random award function first.

What's your biggest win on Slots btw?

I see... I will keep on playing and hope for the best!

I can't recall my biggest win. I believe it was the hearts on a 50 bytes spin (12k). I tried playing 1k bytes per spin but it didn't go well.

My stats are

All-Time Spins: 12,075 Spins

All-Time Winnings: 298,136 ?ytes

my last 7k spins are 1 byte spins

Damn!

You've blown past me in terms of spins. My stats for slots are as follows:

All-Time Spins: 3,159 Spins

All-Time Winnings: 39,948 ?ytes

And most of the winnings were from 1 win, as my biggest win was 32k from 1 spin. The rest were a bunch of losses, and small wins. I like your efforts bro, keep striving forward.

Nice! You were lucky getting the dice!

Thanks! I hope I'll return with some good news. Will keep pushing and thankfully [DemonAsylum](#) is here to fuel the efforts haha

Them 1 byte spins is where it's at.

I remember when I first was attempting the award.. I was making regular wagers, but after a few thousand spins, and no award.. that's when I switched my strategy to 1 byte spins.

And all in all, I still wasn't fortunate enough to get it thru spinning the slots wheel. I know I played well under 1k hands in BlackJack, in comparison to the 3k spins on the slots wheel. But spinning the wheel is much easier, and faster then playing BlackJack.. so I suppose it's whatever you get more

enjoyment from.

Either way, good luck.. I'll throw you 1k bytes towards you slots award goal.

Thanks a lot! Appreciate it!

If I reach 20k and still no award, I'm following your example and switching to blackjack !

How did you get that 'Ace if Spades Card' award? I was always thinking that was from blackjack as it seem appropriate?

I won it from slots; I think it took me about a week. You can also win it from blackjack, and you can only get it once.

The Ace of Spades award is from the [Awards Shop](#). It was for sale with the previous batch of awards that were being sold.. but it has been swapped out now for some different awards.

It felt like when I was thinking about it daily, the Award never came.. then when I finally gave up on chasing it, and just played BlackJack for fun, and not so much for the Award.. that's when it came.

Bronze Tutorial. Nice choice. One that I haven't worked on myself. Lately, I've been just playing around in Hack Game on my spare time on the forum.. as Award Goals are starting to spread thin for me.

Flipper Award is one that I still haven't put any effort into getting, but will do so in the future. Stanleys a bully, so it's expected he'll be right around the corner as soon as you win a nice amount of bytes.

Which one is the one that you have 3x of? 2nd row, first 3 awards?
