Sometimes I forget about this feature, just bought some tickets, good luck everyone !

I do play IRL sometimes, but not a lot, I usually spend like 10 bucks every two months, I should maybe play more often, I'm not an addict to these things, or gambling

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page

and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

I often forget about the on-site lottery myself, users like [Aeowulf](#) usually have an active lottery running at all times. I saw you purchased some tickets, thanks for participating.

Indeed. Always try to have something going. It does not get the same attention now that eggs aren't a thing.

Awesome lottery you put up! Bought into that pot. ?

My dad has won like \$5 to \$10 so I guess it counts lol

I don't play just because of the astronomical chances that I will lose.

There is a lotto here, sounds neat, I always lose though.

diablospartan - April 19, 2025, 10:46 am

Haha, I don't play the lotto myself—digital life and all—but I've definitely seen how tempting it can be, especially when the pot starts looking juicy like 7k+ Bytes ?

Curious though—anyone here actually hit something big, even once? Always fun hearing those "I only bought one ticket and boom!" stories. Or is it mostly just for the thrill of it for you all?
