Thread: [\[SERVICE\] SIP Account with Custom Caller ID Managed via Telegram Bot | \\$15/month |](#)

Noxio - April 20, 2025, 9:04 am

Tired of complex VoIP setups? Get your own SIP account with full control — no need for a panel, no manual configuration. Everything is handled by a powerful and easy-to-use Telegram bot.

- ? Instantly generate your SIP account
- ? Change your Caller ID anytime
- ? Full automation — no human interaction required
- ? Payments via crypto (NOWPayments integration)
- ? \$15/month — renewable automatically
- ? Fast setup, works with most SIP clients (Zoiper, Linphone, etc.)

- ? Just send a command to , get your credentials, and start calling using your softphone.

- ? We don't store any call logs. Privacy-focused.

Interested? Message me or join the bot now and start in seconds.
