There are still 08 and 09 members that appear from time to time. I don't think you're that close to oldest.

Rsynced - May 3, 2025, 2:34 pm

I'm Jan 7, 2011... ?

Deany - May 3, 2025, 2:52 pm

Seen 07, 08, 09s around still

?ystem - May 3, 2025, 3:05 pm

June 26th, 2010 is when I made my account. Good Lord, that was a long time ago.

Jimmie - May 3, 2025, 4:00 pm

I'm probably the oldest active member but I have seen a few people older than me but it's been years since I have seen them post.

Apr 11, 2008 - 17 years.

?inimalist - May 3, 2025, 4:20 pm

This is my second account here. I joined around 2008 or 2009 but I was a kid without knowledge of the internet to recover my account, and I created that one and still using it.

Motusora - May 3, 2025, 4:20 pm

i am older than you ...

Riggs - May 3, 2025, 4:28 pm

Sadly your not the longest standing member I can say there was many before your time. I believe a lot of 2008 accounts are still somewhat active.

Never said that guy is the oldest either haha, just made a joke because I go to members, I go to the last page, and that's literally the last member on the list and I found it funny haha. I'm sure there are other members, this forum was created in 2007 lol

WittyG - May 4, 2025, 2:22 pm

I've recently returned myself. First post was back in '08. New account because the other is no longer with us lol.

Jamika - May 4, 2025, 2:46 pm

Damn now you start the war and they will come in waves telling you they are older and older

Secrets - May 4, 2025, 2:50 pm

You're old, just not the oldest. I be looking at threads and commenting mentally.

Renowned - May 4, 2025, 3:32 pm

Pretty sure I made mine just about in 2010 lol. Lots of older members here though. Cannot believe I'm in my 30's now.
