Thread: [7 Active HackForum Lotteries... **GO SUPPORT**](#)

Mooooookie - May 8, 2025, 11:45 pm

There are currently 7 active lotteries going on at the moment here on the forum.. none of them mine, but I feel like these things don't get the attention they probably should... so let's send some traffic their way.

Thanks for the shoutout mate!

I totally agree with "these things don't get the attention they probably should".

I started checking out lotteries regularly after winning one.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
