Thread: [? PERMANENT TIK TOK ACCOUNT REMOVALS ? Get Rid of Problematic Accounts Today! ?](#)

Mooooookie - May 14, 2025, 1:25 am

WARNING: Don't allow yourself to get SCAMMED by new sellers, and sellers that were previously kicked off the site for scamming. I have been receiving an increased amount of messages from potential buyers informing me that they have been scammed by "new" service providers on the forum when trying to purchase Social Media Services. Many of them are the same user with multiple accounts, that attempt to lure buyers off-site to Telegram, with promises of cheap service prices, and in return walk away with buyers money. Once your money is gone, you're not getting it back. I'm not saying that you have to purchase from me, but I would ask that you please do your due diligence before spending money with individuals that lack credibility. Don't let trying to save money, lead you to losing your money all together!

PERMANENT
TIK TOK ACCOUNT REMOVALS

Re-Ban Warranty - On All Approved Removals

- WE CAN REMOVE ACCOUNTS FROM ALL COUNTRIES.. INCLUDING ACCOUNTS FROM THE USA -

Get rid of problematic Tik Tok Accounts that are effecting your personal life and/or brand!

After extensive testing, both on-site and off-site, I'm here to bring a another great Social Media Service.. this time for Tik Tok. Despite having the ability, I normally don't get involved with providing Account Removal services, regardless of the platform.. due to the nature of the business, and the fact one has no control whether the target gets their account back. I've been lucky enough to be included in a multi month testing phase, for Tik Tok Account Removals. With this Service, we can not only take any Tik Tok Account offline, despite the niche of the account, while also changing the status of the account to Permanently Disabled.

This has proven to be a highly effective method of removing Tik Tok Accounts and we haven't had any of the accounts we've removed, get restored. I have clients both on-site, and off-site who have provided accounts to be removed, and their accounts have also remained offline to-date.

This is not to say that it's impossible to recover the account, as with the right budget, and the right provider.. any Account and/or Post can be recovered for a few thousand dollars. Nothing is ever 100% Permanent on Social Media. But as far as recovering the account thru traditional Account Appeals/Support.. the probability of the account being recovered is extremely low - the status of the Account will be switched to Permanently Disabled, and any appeals sent in will be rejected.. as from Supports end, they will see violations on the account, despite if there were any on the account or not. This is what makes this Service highly effective.

To get started, leave a reply on this thread and/or send me a PM with the @username of the account that you're interested in having removed, along with the reason why you would like the Account Removed. I won't be removing accounts just for the sake of doing it. If you have a legitimate reason for why you would like the Account removed, then I'll be happy to evaluate your case and provide you with a quote for removal.

This was a complex case and had a lot of moving parts for him which is why it took a bit longer than usual yet he kept me involved every step of the way. Excellent communication. Highly recommend this unban service and will come back with more clients.

(Apr 19, 2026 09:00 PM)mukahantu Wrote: [\[CITE\]](#) It is a pleasure to provide this testimony for Moookie.

As you may see this is the first contract on HF and I'm still in awe.

From the start, he demonstrated a level of professional integrity that is increasingly rare. Not only was the work delivered to an exceptional standard (the targeted account has more than 200k followers), but it was also completed within timeframe.

I encountered few impostors claiming "to work with him @ him working with them" (which is a total bullsh*t).

That's when I know every other competitors are trying hard to associate themselves with him & that alone tells me he's the actual GOAT.

So for those still looking, this is the guy you should look for.

What truly sets him apart is his transparency.

He provided consistent updates during transfer and managed expectations realistically. I didn't even need an MM (do so at your own discretion).

I give Moookie my highest recommendation for anyone seeking for similar service.

He has earned my full confidence, and I look forward to our next collaboration.

Mooooookie really worked day and night, almost literally. He went the extra mile for me in every way. He was always super informative and even after the task was completed he still continued to guide and help me.

Many times I was about to give up, but he NEVER gave up. And every time something new was tried, he was open about it being my own choice whether we should continue, or I could always get my money back.

You can't find a better man for the job than Mooooookie. He is the absolute best!

Be Aware of Sellers Trying To Lure Your Off-Site: Don't allow any Seller to lure you off-site to conduct a deal. All deals should be conducted on-site, to avoid chat manipulation and scams. If you want to use a MiddleMan, and a Seller refuses to use a MiddleMan.. DO NOT CONDUCT THE DEAL. There has been evidence of "Reputable Sellers" luring buyers off-site, and refusing to use a MiddleMan when selling services. This is the number one way to get scammed.

It's against HF Rules for a Seller to refuse a MiddleMan. It's also against HF Rules for a Seller to force a deal to be conducted off-site. All business deals should be conducted on-site. Why? This ensures that all conversation between you and the seller are transparent, and the conversations can't be deleted by either party. Yes, unfortunately this type of thing happens on-site.. even with Sellers that are supposed to be "Reputable". So do yourself a favor, and stay on-site with any business transactions.. and if you're not comfortable sending a seller payment upfront, demand that they use a MiddleMan. If they refuse, report them to Staff.

You need to understand, that deals conducted off-site are not back by our Deal-Dispute feature. So if you allow a Seller to convince you to do a deal off-site, and you get scammed.. you won't be getting your money back, and it's a chance they may not be held responsible. You can avoid all of this, by simply staying on-site with all your business transactions.

How To Contact Me For Service:

There are a few ways that you can use to reach out to me for service, one of them being by simply leaving a message on this thread.. and I will reach out to you via Private Message within a few hours. The second method of contacting me for service is you can send me a Private Message here on the forum.. but for various reasons, that doesn't always happen. So in the event you're unable to contact me thru Private Message here on the forum, see my Alternative Contact:

While I won't negotiate, or conduct any deals off-site.. if I'm not online, or you're having a difficulty reaching me, you can send me a message on Discord, and I will reach out to you from there. Copy & Paste my Discord Username. There have been known to be scammers who try and create accounts with similar usernames, in an attempt to manipulate buyers into contacting the wrong person.

For this reason, I recommend you to Copy & Paste @MooooookieHF and paste it into the search on Discord.

To ensure you're speaking with me, and not an imposter.. have me confirm who I am by having me send you a message here on the forum. If the person you're speaking with is not willing to confirm that they're indeed me, then you're not speaking with me.

I WILL NEVER SEND YOU A FRIEND REQUEST FIRST ON DISCORD, OR ANY OTHER PLATFORM!

DON'T ALLOW YOURSELF TO BE SCAMMED BY ANY OF THESE BROKE DESPERATE SCAMMERS!

Buy With Confidence:

Our overall objective is to make sure our customer is satisfied. We have a Perfect Selling History, and have never had any Deal-Disputes! Buy with confidence, knowing that you will get exactly what you paid for, with no issues later down the road.. and if a problem was to occur, that we will work with you to get it resolved. That's our GUARANTEE.

Don't Get Scammed - Do Your Due Diligence!

Want to check whether the Seller you're getting ready to do a deal with has past Deal Disputes? Simple. Click the Search Icon at the top of the forum, Click 'Advanced Search', Type the Sellers UID (the last 7 digits of the users profile URL) into Keyword Box, Select 'Entire Post', Select 'Deal Disputes' in the Forums List as shown in the image below, and Click Search. This will display all Deal Disputes opened against said Seller.

Like any other place on the internet, Hack Forums has it's fair share of Scammers and unreliable Sellers. To help Buyers get a better feel for who they're doing business with, we have a thing called a Credibility Rating. Included in this are 3 ratings.. Excellent, Average, and Poor. Each one of these numbers indicates a deal they've done on-site.

These ratings are how previous Buyers scored their deal with said Seller. While you shouldn't make your sole decision based off a Sellers Credibility Rating, it can give you a good indication on which Sellers to avoid doing business with. The higher the number, the more deals they've done on-site. If you see RED - this is a good sign that you should do your due diligence on this Seller, or might want to avoid doing business with the Seller all together, as previous buyers have had a bad experience with them.. and the Seller did not take the time to make things right before closing the contract. For more details, you can click on any Sellers Username and their Credibility Rating and get more details as to why said Buyers gave them that rating!

The price for banning is dependent on the account that you want removed, and the complexity involved with removing the account. But to answer your question, yes we can remove verified accounts. We can remove virtually any account, regardless of location and/or verification status.

As requested, I'm sending you a Private Message with the necessary information for service.

It is a pleasure to provide this testimony for Moookie.

As you may see this is the first contract on HF and I'm still in awe.

From the start, he demonstrated a level of professional integrity that is increasingly rare. Not only was the work delivered to an exceptional standard (the targeted account has more than 200k followers), but it was also completed within timeframe.

I encountered few impostors claiming "to work with him @ him working with them" (which is a total bullsh*t).

That's when I know every other competitors are trying hard to associate themselves with him & that alone tells me he's the actual GOAT.

So for those still looking, this is the guy you should look for.

What truly sets him apart is his transparency.

He provided consistent updates during transfer and managed expectations realistically. I didn't even need an MM (do so at your own discretion).

I give Moookie my highest recommendation for anyone seeking for similar service.

He has earned my full confidence, and I look forward to our next collaboration.

As your first purchase on the site, I appreciate you trusting me with the job, and I appreciate the the

kind words following the service completion. Glad we were able to remove the account for you and your client.

Rather irritating to know that there are sellers on the site going out their way to create fake accounts, and make claims that they are working with me in an attempt to mislead buyers into purchasing their services. As mentioned in my profile, I don't use Telegram and I don't work with any other seller on the site. While I appreciate the homage from these service providers, misleading potential buyers to makes sales is not a good look and further shows the lengths some people will go to make a sale.

Again, it was great working with you and look forward to working with you again in the future.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for

each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
