Thread: [Casino \[New Gambling Group\]](#)

Zeus - May 24, 2025, 6:21 am

So to join my group Casino you need to deposit \$10k usd on stake or roobet and gamble it. Theres no other option getting in this is the only way even if your my friend idc.

Anyone interested send me a convo message.

Update.

Has to be in one session infront of me on screenshare.

Let's see who the most degenerate gamblers on HF. I don't know if many/any people will join.

Aadgjmptw72 - May 24, 2025, 9:08 pm

10k in one bet or 10k over multiple bets?

5k on black & 5k on red and a 5.2% chance to have a really bad day.

Komodo - May 26, 2025, 4:33 pm

Imagine doing this, losing, and then getting kicked from a group eventually because it gets sold.

I just smacked a \$5,000 plinko ball today and was going to relax on my gambling for a bit and just chill lol. But I really want to join a group here on HF and be active in it.

Hell yeah. I can't say when the next depo will be, I'm on a cooler now with these recent withdrawals.

Heres some stats, the amounts in green are deposits and the grey amounts typically in even amounts are my latest withdrawals.

Group cloning / duplication, we now have 2 groups. [Zeus](#) is free to disagree, otherwise he can buy me one when he returns?

I'm just joking around man, don't take it too seriously, I am a leader in VIBE lol

Zeus says we gotta gamble, so I'm gambling on his generosity. I'll happily accept a free group to give to 7 once the Zeus man returns. Thanks Zeus, love you
