Good luck with the sales mate!

Dwayne's head, I just can't.

This used to be very popular back in the day but not so much anymore, which is a good opportunity for you.

Best of luck with your sales.

Thank you both! I know the service might not seem much, but it's honest work & for a fair agreeable price! :)

Good luck with sales!

Questions :

Does this include photo to video for live verification?

What are the prices?

I can do that for sure!

I don't work on set prices but on a fair price we both agree on. :)

StevenGCMan - June 27, 2025, 5:33 am

What are the usual price range?

P??sonl?af - June 27, 2025, 5:38 am

Really depends on what you are looking for. A simple image edit could go as cheap as \$15-20, while a promo video in a certain style with certain shots (you don't have) will cost you a lot more.

Just LMK what you are looking for and we can go from there.

mitabrev - June 28, 2025, 1:15 pm

Good luck with that. Post progress

MysteriousRay - July 4, 2025, 11:27 am

Thanks for the help man. I greatly appreciate the business/help being able to still achieve the goal I wanted without any hassle and being able to negotiate!

Hey man. The best thing we can do is to have a chat. Tell me what you are looking for and we'll go from there.

We'll work together to come to a result you are satisfied with before going forward with a deal.

I'll send you some Logo's I've made recently. I can't however send you other work due to customer content protection.

Ex. Altering or creating their OF models.

Let's have a chat! :)

o i c. i wasn't necessariyl looking to see previous customers work, but was thinking more a long the lines of that maybe you have some samples or examples of works that you did for yourself or for selling purposes.

Best thing you can do is either PM me or start a convo.

The Joker - October 25, 2025, 11:21 pm

This is my second time working with him..

As usual a great guy to work with. Knows what he's doing and get's the job done to your liking.

We have never discussed a price before starting work. I tell him what I need, he starts working and sends a draft, I check and modify until I'm satisfied.

Then he sends a quote for his work and I pay him. His quote has always been very fair and I never had to negotiate or haggle.

He's my go to guy for designs!

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
