Thread: [any decent ssbm \(melee\) players?](#)

yy02 - May 31, 2025, 12:46 pm

Hey, I'm a Falco main trying to improve at melee but i've been struggling a lot against Marth. I learned how to do marthkiller recently and it does help me quite a lot. Are there other key tech against Marth as Falco? Feel free to share tips and tricks i would appreciate it a lot :))
