Thread: [S.T.A.L.K.E.R. 2 ULTIMATE EDITION / AUTO STEAM GUARD](#)

Kingdom - June 2, 2025, 1:28 pm

Product description

? INSTANT delivery of goods immediately after purchase!?

? You independently activate an offline account on your PC at any time of the day or night without our participation.

? After purchase, you get the opportunity to complete the game without the risk of losing game progress.

? The ability to download the game from our Steam account directly, ignoring torrents and third-party sites.

? Our account with the game has no regional restrictions.

? There are no time limits for the passage of the game.

? Doesn't interfere with your main Steam account, you can play your games from your account.

Minuses:

- Any online functions of the game are not available in this mode.
- You cannot update the game yourself, transfer Steam to online mode.
- Activation fails when reinstalling / updating Windows, replacing game files, uninstalling a game, changing computer components.

Pros:

- The cost of the game is several times lower than in the official Steam store.
- The account will never be banned, because you will play from our (purchased) account.
- You get the freshest patches (updates) at the time you activate the game.
- Installing new drivers on the video card does not break the offline account performance.

Game activation instructions:

Detailed instructions for setting up Steam in offline mode will be issued after purchasing the product.

The account will be logged in through the DG_SteamActivator.exe application.

Due to the technical features of the software, it is possible that the activator is mistakenly identified by some antiviruses as malware. By purchasing a product, you agree to ensure the operability of the activator by adding the file to the exceptions in any of the conflicting software, or disabling it at the time of activation.

?IMPORTANT INFORMATION:

- Account for offline use only.
- Account data transfer prohibited.
- Any modification of account data is strictly prohibited..
- One activation - 1 PC.
- You need to activate the game within 24 hours from the date of purchase.
- After activating the "DG_SteamActivator key", a refund for the purchase is not possible.
- Updates / patches are paid separately.
- Activation is not possible to play through PlayKey, GFN, Google Stadia, Loudplay, Drova and other cloud services.
- Assistance in solving problems with the product for a period of 60 days from the date of purchase (only activation questions).

Any failure to comply with these conditions will result in a denial of service without a refund for the purchase.
