YOUSICIAN is a fast and fun way to learn guitar and bass from beginner to master. Enjoy playing thousands of songs on your REAL INSTRUMENT!

(supports both acoustic and electric instruments)

Yousician is your personal music teacher from the digital age. Practice at your own pace, where and when you want. The app listens to your playing and immediately evaluates the accuracy and timing. Developed by experts in music teaching, our course will help musicians of all levels, from absolute beginners to professionals, improve their skills.

Step-by-step video tutorials will guide you through each lesson. Fun and engaging gameplay is used to track your progress and motivate you to learn and practice. You will be surprised at how quickly your skills will improve. Grab your guitar or bass and start playing right now!

Who is this application designed for?

- Vocalists, guitarists and bass players
- Absolute beginners
- Advanced and professional musicians

- Music teachers

What is included in the subscription?

- Over 1500 tasks and exercises, hundreds of instructional videos covering all the necessary skills: sight reading, chords, playing technique, melodies, lead parts, plucking and more.
- Yousician also teaches you music theory and contains separate trainers for each skill and chord.
- Weekly Challenge - Compete against your friends and millions of Yousician users around the world.

How it works?

- The app listens to you sing or play guitar/bass.
- It evaluates your performance in real time.
- The application will help you work out great compositions and go through step-by-step tutorials that suit your level.
- It makes the learning process interesting through competitions and rewarding gameplay.

SELF Taught,

The Yousician app was developed with the help of some of the most progressive and experienced music educators in the world. It is great for self-study or additional lessons when working with a teacher. With step-by-step guides and real-time feedback, you can always be sure that you are playing correctly.

FOR PLAYING THE GUITAR / BASS

Yousician is used simultaneously with this instrument and does not require any other additional equipment. The app "listens" to your performance through your phone's microphone and evaluates your performance.
