Thread: [HANDMADE .BAT CRYPTS | LONG FUD | 100% UNDETECTED | PRIVATE STUB](#)

scuffedreggie - June 11, 2025, 4:11 am

? Handmade .BAT Crypts – Long FUD | Private Stub | Clean & Reliable

Every stub is crafted from scratch for maximum stealth and long-lasting FUD status.

? What you're getting:

Long FUD performance (tested across major AVs)

Lightweight, no dependencies.

One stub per client.

Optional features (like persistence) on request.

Full support after purchase.

? Doing 3 vouch copies for high-rep members — message me to grab one while they're available.

? Contact me on Telegram: @troubleshoot

? Ready to buy? Create a contract or reach out to talk first.

Crypted Xeno-RAT, and it was FUD. Had to send a reminder, but otherwise service was good. Seller seems to be using the same methods as [motherfudder](#).

No vouch copies left sorry. You're welcome to purchase a crypt though.

bb4ever - October 12, 2025, 1:12 am

looks like an interesting one, im about to try this out and ill give my honest review once im done.

bb4ever - October 15, 2025, 11:28 am

Ok guys, Ive tested out this service and I can say it was by far one of my most stress free experiences here. The service was great and he delivered as promised. I have no affiliation with him, he's the real deal.
