sancoxo83 - June 15, 2025, 5:05 am

wow, this is just a lot of ETH

morecoinsmorelife - June 15, 2025, 9:46 am

Who's the largest non-public ETH holder?

I wonder what plans they have for that much ETH. Surely can't just be an investment.

Surely with all the other L1 Smart Contract blockchains out there, ETH can't be the best choice for gaming.

Oh, btw, I see the "gaming" is Sports Betting. So that's a little bit more interesting. I wonder if it's oracle related. Article says 95% is staked.

Quote:SharpLink becomes the first Nasdaq-listed company to adopt an ETH-focused treasury model, echoing Strategy's approach to Bitcoin.

Huh...
